

## Connecting to eduroam on Android

1. Go to your Android Settings.
2. Under Settings, find Wi-Fi and tap it.

3. In the list of wifi networks, tap eduroam.

4. In the dialog box that comes up, make sure the following options are set as below:
  - EAP Method: **PEAP**
  - Phase 2 Authentication: **MSCHAPV2**
  - CA Certificate: **use system certificates**
  - Online Certificate Status: **Do not verify or Do not validate**
  - Domain: **cgu.edu**
  - Identity: **Your CGU email address**
  - Password: **Your password**
  - Anonymous Identity: **leave blank**
5. Tap "Connect" and you will be connected to the eduroam SSID.
